

The information contained in this website is for informational purposes only and should not be used as the basis for any investment decision. Annacore Business Capital does not offer legal or investment advice. This information is neither a solicitation to buy nor an offer to sell securities. At times Annacore Business Capital may accept compensation for various IR & PR services, and that information will always be disclosed. Annacore Business Capital and/or its affiliates, associates and employees from time to time take a position in securities mentioned. If this is the case, Annacore Business Capital will always disclose this in the emails sent out to its database. Annacore Business Capital is a licensed Investment Advisor acting as a money finder in the state of Michigan.

Annacore Business Capital is not responsible for any loss that may be incurred by any person resulting from the use of this web site or any material contained herein. The publishers of Annacore Business Capital recommend that persons desiring to trade, invest or take their company public do so cautiously and in consultation with their financial advisors and attorney.

Annacore Business Capital reserves the right, for its officers, directors, shareholders, and agents as well as itself, to buy and/or sell securities mentioned on this web site. We are active traders and may buy or sell any of these securities at any time and without notice. Our buying and selling of any of these securities may influence their market prices.

We cannot guarantee and do not guarantee that all and/or any of the companies profiled here will ever increase in market value at any particular time after the profile becomes public. Any security can decrease in value at any time.

The Information and services contained in or made through this site may include or incorporate by reference "forward-looking statements" within the meaning of Section 27(a) of the Securities Act of 1933 and Section 21(e) of the Securities Exchange Act of 1934, including certain information with respect to plans and strategies of each featured company. For this purpose, any statements attributable to this site that are not statements of historical fact may be deemed to be forward-looking statements. Such statements are subject to various risks, uncertainties and assumptions about the featured companies, economic and market factors and the industries and assumptions about the featured companies doing business, among other factors. Such statements are in no way guarantees of future performance or actual events. Results may differ materially from those expressed or forecasted by or concerning the featured companies due to a great many factors.

No information, whether oral or written, obtained by you from or through Annacore Business Capital, or a third party in reference to Annacore Business Capital, shall create any warranty not expressly stated in an independent signed contract. The contents of the Annacore Business Capital web site are provided to our subscribers and the general public ("Users"), for informational purposes only and should not be construed as investment advice, and are subject to change without notice. Annacore Business Capital profiles should not be construed as independent research, as portions of it are paid advertising or securities in which Annacore Business Capital has been compensated, purchased shares in or both. The Company may also purchase securities in addition to those stocks it receives as compensation from clients and it may purchase shares of client companies that it hasn't received compensation from, but is transmitting data regarding. This creates an inherent conflict of interest. All articles, statements and expressions posted are NOT offers or solicitations to buy or sell securities. The information provided by the Company is obtained from independent market research, materials available to the general public, information provided by clients, profiles written by other Investor Relations firms enlisted by mutual clients, and in some cases interviews with management.

We encourage our readers to invest carefully and read the investor information available at the web sites of the Securities and Exchange Commission (SEC) at: <http://www.sec.gov> and/or the National Association of Securities Dealers (NASD) at: <http://www.nasd.com> and the Financial Industry Regulatory Authority (FINRA) at [www.finra.org](http://www.finra.org). Readers can review all public filings by companies at the SEC's EDGAR page. The NASD has published information on how to invest carefully at its web site.
